"Katie ~~the~~ Katie you're very bawdy
 I'll do anything so you won't hate me
 I'll buy you gifts of cigs and grub
 I'll even take you to the pub
 Just as long as you don't castrate me."

I'm sorry but that just isn't good enough.
 And mean, ~~ELAN~~ gets cute little nick-

But ME? oh no. I'm just second best, coz
 SHE'S not available.

Well, that's okay. Because its only Katie.
 I'll just sit here while you type. I won't
 even get ranshed I bet. Elan's getting ranshed

All these things I'll put you thru,
I won't 'dis' you but kiss you
I won't screw you but 'do' you
Stroke you, spoon you

'Pepé le pew' you
All these things while you

But I will not let you down.

Listen... Shushsh!  "I've got a little something for you!" Only joking or am I? Anyway I was sucking the 'ol' juice from a minor... or was it a minor anyway, then the plates fell from the table and gave me a start well about 20 seconds! later on I was fingered by the fuzz and banged in the slammer by the porties, but once I had one of them alone, I found a new religion in felching, and was released. Never underestimate the good 'ol' British Bobby! Anyway that's enough about me, shut up and keep pumping.
